CONQUEST RESOURCES LIMITED

NOTICE OF ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS

NOTICE IS HEREBY GIVEN that the Annual and Special Meeting of Shareholders (the "**Meeting**") of Conquest Resources Limited (the "**Corporation**" or "**Conquest**") will be held at the office of the Corporation at 55 University Avenue, Suite 1805, Toronto, on Monday, June 25, 2018 at 10:30 a.m. (Eastern Daylight Time) for the following purposes:

1. to receive the report of the Directors and the financial statements of the Corporation for the financial year ended December 31, 2017, together with the report of the auditors thereon;
2. to elect Directors;
3. to appoint auditors for the ensuing year and upon the advice and recommendation of the Audit Committee to authorize the Directors to fix their remuneration;
4. to consider and, if thought advisable, to approve an ordinary resolution ratifying the Corporation's existing Stock Option Plan, as more particularly set forth in the accompanying Information Circular prepared for the purposes of the Meeting; and
5. to transact such further and other business as may properly come before the Meeting or any adjournment thereof.

The Board of Directors has fixed the close of business on May 11, 2018 as the record date for the determination of shareholders entitled to receive notice of and to vote at the Meeting and any adjournments thereof.

The Circular has been prepared to help you make an informed decision on each of the matters to be voted on at the Meeting. Please review the Circular carefully before voting. The Corporation has elected to use the notice-and-access provisions under National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer (the "**Notice and Access Provisions**") for the Meeting. The Notice and Access Provisions allow the Corporation to post proxy-related materials both on SEDAR and a non-SEDAR website, rather than delivering the materials by mail. Shareholders will still receive this Notice of Meeting and a form of Proxy and may choose to receive a paper copy of the Circular.

The Meeting materials, including the Circular, are available on the Corporation's website at www.conquestresources.com and will remain on the website for at least one full year from the date of this Notice. The Meeting materials are also available under the Corporation's profile on SEDAR at www.sedar.com.

Any shareholder who wishes to receive a printed paper copy of this Circular may request a copy from the Corporation by calling (647) 728-4106 or may download a copy from the Corporation's website at www.conquestresources.com. If a shareholder requests a printed copy of the Circular prior to the date of the Meeting, the Corporation will send a printed paper copy of the Circular to the requesting shareholder at no cost to them within three business days of the request. If a shareholder requests a printed paper copy of the Circular after the date of the Meeting, the Corporation will send printed paper copies of the Circular to the requesting shareholder at no cost to them within ten calendar days of the request. A shareholder may also contact the Corporation at the contact number or address above to request and receive a copy of the Corporation's Financial Statements and Management's Discussion and Analysis ("**MD&A**") for the fiscal year ended December 31, 2017. All shareholders are invited to attend the Meeting. Only shareholders at the close of business on May 11, 2018 are entitled to receive notice of and vote at the Meeting.

To allow for reasonable time to be allotted for a shareholder to receive and review a paper copy of the Circular prior to the proxy deadline, any shareholder wishing to request a paper copy of the Circular as described above, should ensure such request is received by June 15, 2018.

If you are a registered shareholder, you will have received this Notice of Meeting and a form of Proxy from the Corporation (the "**Proxy**"). Registered shareholders who are unable to attend the Meeting are requested to read the notes included in the form of Proxy enclosed and then to complete, date, sign and mail the enclosed form of Proxy, in accordance with the instructions set out in the Proxy. Completed Proxies must be received by 10:30 a.m. (Eastern Standard Time) on June 21, 2018, unless the Chairman of the Meeting elects to exercise his discretion to accept Proxies received subsequently.

If you are a non-registered (beneficial) shareholder, you will have received this Notice and a voting instruction form. Non-registered shareholders are requested to read the instructions included in the voting instruction form enclosed and then to complete the voting instruction form in accordance with the instructions, and by the deadline, set out therein.

DATED at Toronto, Canada as of the May 11, 2018.

BY ORDER OF THE BOARD OF DIRECTORS

"John F. Kearney"

JOHN F. KEARNEY
Chairman

INFORMATION CIRCULAR May 11, 2018 MANAGEMENT SOLICITATION

This Information Circular is furnished in connection with the solicitation of proxies by and on behalf of the management of CONQUEST RESOURCES LIMITED (the "**Corporation**" or "**Conquest**") for use at the Annual and Special Meeting of Shareholders of the Corporation (the "**Meeting**") to be held on Monday, June 25, 2018 at 10:30 A.M. (Toronto time), in the office of the Corporation at 55 University Avenue, Suite 1805, Toronto, Ontario, for the purposes set out in the accompanying notice of meeting. In addition to the use of the mails, proxies may be solicited by Officers ("**Officers**"), Directors ("**Directors**") and regular employees of the Corporation personally or by telephone. The cost of such solicitation will be borne by the Corporation.

Notice and Access

The Corporation has elected to use the notice and access provisions ("**Notice and Access Provisions**") for the Meeting pursuant to National Instrument 54-101 Communication with Beneficial Owners of Securities of a Reporting Issuer ("**NI 54-101**") with respect to the mailing to its non-registered (beneficial) shareholders. The Notice and Access Provisions allow the Corporation to post proxy-related materials both on SEDAR and a non SEDAR website, rather than delivering the materials by mail. Shareholders will receive a Notice of Meeting and a form of proxy or voting instruction form and may choose to receive a printed paper copy of the Information Circular.

The Corporation is not using procedures known as 'stratification' in relation to the Notice and Access Provisions. Stratification occurs when a reporting issuer using the Notice and Access Provisions provides a paper copy of the Information Circular to some, but not all, shareholders with the Notice of Meeting.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the "**Proxy**") as proxyholders, are Officers and/or Directors of the Corporation. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than the persons designated in the Proxy, who need not be a shareholder, to attend and act for you on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided by the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your shares will be voted accordingly. The Proxy confers discretionary authority on persons therein with respect to:

- (a) Each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) Any amendment to or variation of any matter identified therein; and
- (c) Any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the shares represented by the Proxy in favour of each matter identified on the Proxy and for the nominees of management for directors and auditors as identified in the Proxy, as applicable.

Registered Shareholders

If you are a registered shareholder, you may wish to vote by proxy whether or not you attend the Meeting in person. If you submit a proxy, you must complete, date and sign the Proxy and return it to the Corporation's transfer agent, TMX Trust Company ("**TMX**"). Registered shareholders who elect to submit a Proxy may do so online at www.voteproxyonline.com, by fax at 416-595-9593, or by mail to 100 Adelaide Street West, Suite 301, Toronto, Ontario M5H 4H1, in all cases in accordance with the instructions provided by TMX in the enclosed proxy materials and ensuring that the Proxy is received by 10:30 a.m. on June 21, 2018 or any adjournment thereof at which the Proxy is to be used.

Beneficial Shareholders

The information in this section is of significant importance to shareholders who do not hold shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meetings are those deposited by registered shareholders (those whose names appear on the records of the Corporation as the registered shareholders of shares) or as set out in the following disclosure.

If shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder's name on the records of the Corporation. Such shares will more likely be registered under the names of the shareholder's broker or an agent of that broker (an "intermediary").

In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for the Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders: those who object to their name being made known to the issuers of securities which they own (referred to as "OBOs" for "Objecting Beneficial Owners") and those who do not object to the issuers of the securities they own knowing who they are (referred to as "NOBOs" for "Non-Objecting Beneficial Owners").

Non-Objecting Beneficial Owners

The Corporation is taking advantage of those provisions of National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer of the Canadian Securities Administrators, which permit the Corporation to deliver proxy-related materials directly to its NOBOs. As a result, NOBOs can expect to receive a scannable Voting Instruction Form ("VIF") from TMX. These VIFs are to be completed and returned to TMX as set out in the instructions provided on the VIF. TMX will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs it receives.

You have the right to appoint a person (who need not be a Beneficial Shareholder of the Corporation) other than any of the persons designated in the VIF to represent your shares at the Meeting and that person may be you.

This Information Circular, with related material, is being sent or made available to both registered and nonregistered owners of the Corporation. If you are a non-registered owner, and the Corporation or its agent has sent these materials directly to you, your name, address and details about your shares in accordance with applicable securities regulatory requirements from the intermediary who holds your shares on your behalf.

By choosing to send these materials to you directly, the Corporation (and not the intermediary holding your shares on your behalf) has assumed responsibility for (i) delivering the materials to you, and (ii) executing your proper voting instructions. Please return your VIF as specified in your request for voting instructions that you receive.

Objecting Beneficial Owners

Beneficial Shareholders who are OBOs should carefully follow the instructions of their broker or intermediary in order to ensure that their shares are voted at the Meeting.

The form of proxy that will be supplied by your broker will be similar to the Proxy provided to registered shareholders by the Corporation. However, its purpose is limited to instructing the intermediary how to vote your shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in the United States and in Canada. Broadridge will mail a VIF in lieu of a Proxy provided by the Corporation. The persons named in the VIF to represent your shares at the Meeting will be the same as those named to represent the registered shareholders in the Corporation's Proxy. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Corporation) other than any of the persons designated in the VIF to represent your shares at the Meeting and that person may be you. To exercise this right, insert the name of your desired representative (which may be you) in the blank space provided by the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting and the appointment of any shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your shares voted at the Meeting, or to have an alternative representative duly appointed to attend and to vote your shares at the Meeting.**

Voting by Telephone or Internet

Shareholders may convey their voting instructions using a touch-tone telephone or the Internet. The relevant tollfree telephone number or website address is set out on the voting instruction form and form of proxy. Follow the instructions given over the telephone or through the Internet to cast your vote. When instructed to enter a control number or holder account number and proxy access number, refer to your voting instruction form or your form of proxy. Votes conveyed by telephone or the Internet must be received no later than the cut-off time given on the voting instruction form or the form of proxy.

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of Canada and securities laws of the provinces in Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Corporation or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Corporation is incorporated under the Business Corporation Act (Ontario), as amended, certain of its directors and its Executive Officers are residents of Canada and countries other than the United States, and all of the assets of the Corporation and a substantial portion of the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

REVOCAION OF PROXY

Any Registered Shareholder who has returned a Proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing, including a Proxy bearing a later date, executed by the Registered Shareholder or by his attorney authorized in writing or, if the Registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The instrument revoking the Proxy must be deposited at the registered office of the Corporation, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the Chairman of the Meeting on the day of the Meeting. **Only Registered Shareholders have the right to revoke a Proxy. Non-registered holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf.**

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as set out herein, to the knowledge of the management of the Corporation, no person who has been a director or executive officer of the Corporation at any time since the beginning of the Corporation's last financial year, no proposed nominee of management for election as a director of the Corporation, and no associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Each holder of common shares in the capital of the Corporation ("**Common Shares**") of record at the close of business on May 11, 2018 will be entitled to vote at the Meeting or at any adjournment thereof, either in person or by proxy, except to the extent that such holder has transferred any Common Shares after the record date and the transferee of such Common Shares establishes proper ownership thereof and demands, not later than ten days before the Meeting, to be included in the list of shareholders entitled to vote at the Meeting, in which case such transferee is entitled to vote.

As at May 11, 2018, the Corporation had 118,923,348 issued and outstanding Common Shares. Each Common Share carries the right to one vote per share. The outstanding Common Shares are listed on the TSX Venture Exchange (the "**TSXV**") under the symbol "CQR".

To the knowledge of the Directors and Executive Officers of the Corporation, the following table sets out the names of all persons who beneficially own, directly or indirectly, or exercise control or direction over more than 10% of the outstanding Common Shares:

Name	Number of Common Shares Beneficially Owned (Directly or Indirectly), Controlled or Directed	Percentage of Issued and Outstanding Common Shares as of May 11, 2018
John F. Kearney	17,105,931	14.38%

As at the date hereof, the directors and senior officers of the Corporation, as a group, beneficially own, directly or indirectly approximately 20.10 percent of the outstanding Common Shares.

PARTICULARS OF MATTERS TO BE ACTED UPON AT THE MEETING

1. RECEIVING THE FINANCIAL STATEMENTS

The consolidated financial statements of the Corporation for the fiscal year ended December 31, 2017 together with the Auditors Report thereon are available on the Corporation's website at www.conquestresources.com or under the Corporation's Profile on the System for Electronic Analysis and Retrieval (SEDAR) at www.sedar.com and have been mailed to the Corporation's registered and beneficial shareholders who requested them. Management will review the Corporation's financial results at the Meeting, and shareholders will be given an opportunity to discuss these results with management.

2. ELECTION OF DIRECTORS

Under the constating documents of the Corporation, the Board is to be elected annually. The Board currently consists of six directors, and management proposes to nominate six directors for election to the Board at the Meeting. Benjamin Batson was appointed as a Director in November 2017 and resigned as a Director in May 2018.

At the Meeting, shareholders will be asked to approve an ordinary resolution for the election of the six persons named hereunder as directors of the Corporation (the "Nominees"). **Unless authority to do so is withheld, the persons named in the accompanying proxy intend to vote for the election of the Nominees.**

Management does not contemplate that any of the Nominees will be unable to serve as a director, but if that should occur for any reason prior to the Meeting, it is intended that discretionary authority shall be exercised by the persons named in the accompanying proxy to vote the proxy for the election of any other person or persons in place of any Nominee or Nominees unable to serve. Each director elected will hold office until the close of the first annual meeting of shareholders of the Corporation following his election or until his successor is duly elected or appointed unless his office is earlier vacated in accordance with the by-laws of the Corporation. Each of the Nominees was elected at the last annual and special meeting of the Corporation's shareholders held on June 19, 2017.

The following table sets out the name of each of the persons proposed to be nominated for election as a director, all positions and offices in the Corporation held by each of them, the principal occupation or employment of each of them for the past five years, the year in which each was first elected a director of the Corporation (where applicable) and the approximate number of Common Shares that each has advised are beneficially owned (directly or indirectly) or subject to his or her control or direction:

Cease Trade Orders, Bankruptcies, Penalties or Sanctions

No director, officer, promoter or other member of management of Conquest is, or within the ten years prior to the date hereof has been, a director, officer, promoter or other member of management of any other issuer that, while that person was acting in the capacity of a director, officer, promoter or other member of management of that issuer, was the subject of a cease trade order or similar order or an order that denied the issuer access to any statutory exemptions for a period of more than thirty consecutive days or was declared bankrupt or made a voluntary assignment in bankruptcy, made a proposal under any legislation relating to bankruptcy or insolvency or has been subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets except as follows:

Mr. Steenberg served as a Director of Tagish Lake Gold Corp. On April 9, 2010, Tagish filed an application to the British Columbia Supreme Court and an Order was made granting an Initial Order under the *Companies' Creditors Arrangement Act*. This order was lifted, and a plan of arrangement was implemented on October 27, 2010 pursuant to which all of the creditors of Tagish were paid in full.

Mr. Kinloch was a Director and Officer of Maverick Minerals Corporation, a Nevada Corporation traded over the counter in the United States, in respect of which a cease trade order was issued by the Saskatchewan Securities Commission on April 24, 2014 for failure to make filings alleged to be required in Canada under the Securities Act of Saskatchewan.

Messrs. Gauthier, Kearney and Steenberg are Directors and/or Officers of Labrador Iron Mines Holdings Limited which on April 2, 2015, instituted proceedings in the Ontario Superior Court of Justice for a financial restructuring under the Companies Creditors Arrangement Act and had a plan of arrangement sanctioned by the Court on December 14, 2016, having been approved by creditors on December 6, 2016.

Director Compensation and Equity Ownership

No cash compensation was paid to directors who are not Officers of Conquest for the most recently completed financial year. Directors who also provide professional or consulting services to the Corporation are compensated based upon the invoiced value of the services provided. Directors are reimbursed for all reasonable expenses incurred in attending meetings of the board or any committee of the board. The principal method used to compensate non-executive directors in their capacity as directors has been and, subject to the board determining otherwise as noted above, will continue to be the awarding of incentive stock options pursuant to the Corporation's Stock Option Plan.

The following table (presented in accordance with National Instrument 51-102F6) sets out total compensation for the year ended December 31, 2017 in respect of directors of the Corporation other than directors who are Named Executive Officers of the Corporation.

INDEBTEDNESS TO CORPORATION OF DIRECTORS AND EXECUTIVE OFFICERS

No person who is or was at any time during the most recently completed financial year of the Corporation an officer or director of the Corporation, no proposed nominee for election as a director, or any associate of any such person was indebted to the Corporation.

INDEMNIFICATION OF DIRECTORS AND OFFICERS

The by-laws of the Corporation provide that the Corporation is required to indemnify a director or officer, or former director or officer, or a person who acts or acted at the request of the Corporation as a director or officer of a body corporate of which the Corporation is or was a shareholder or creditor, and his or her heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of having been a director or officer of such body corporate if (a) he or she acted honestly and in good faith with a view to the best interests of the Corporation, and (b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, he or she had reasonable grounds for believing that his or her conduct was lawful.

The Corporation has purchased insurance for the benefit of the Corporations Directors and Officers against liability incurred by them in their capacity as Directors and Officers in the period prior to 2017. The policy provides coverage on a claims made basis in respect of a maximum total liability of \$3 million, subject to a deductible of \$25,000 per event. Directors and Officers insurance was purchased in January 2018 in the amount of \$5,350. The policy contains standard industry exclusions.

3. RE-APPOINTMENT OF AUDITORS

Upon the advice and recommendation of the Audit Committee, management proposes the re-appointment of UHY McGovern, Hurley, LLP, Chartered Accountants, as Auditors of the Corporation for the ensuing year and that the Directors be authorized to fix their remuneration.

It is the intention of the persons named in the accompanying form of proxy to vote at the Meeting for the appointment of UHY McGovern, Hurley, LLP, Chartered Accountants, as Auditors of the Corporation. Unless otherwise specified, proxies which are received pursuant to this solicitation will be voted for the appointment of UHY McGovern, Hurley, LLP as Auditors.

Unless such authority is withheld, the persons named in the accompanying proxy intend to vote FOR the re-appointment of UHY McGovern, Hurley, LLP, as auditors of the Corporation until the close of the next annual meeting of shareholders and to authorize the Directors to fix their remuneration.

4. RATIFICATION OF STOCK OPTION PLAN

Shareholders will be asked at the Meeting to consider and, if thought advisable, to ratify the Corporation's existing stock option plan (the "**Plan**"), which is considered a "rolling" stock option plan, which reserves a maximum of 10% of the Corporation's total outstanding Common Shares at the time of grant for issuance pursuant to the Plan. The policies of the TSXV provide that, where a Corporation has a rolling stock option plan in place, it must seek shareholder approval, for such plan annually.

The purpose of the Plan is to provide incentive to employees, directors, officers, management companies and consultants who provide services to the Corporation and reduce the cash compensation the Corporation would otherwise have to pay.

The Plan complies with the current policies of the TSXV, including the requirement for annual approval by shareholders. Under the Plan, a maximum of 10% of the issued and outstanding shares of the Corporation are proposed to be reserved at any time for issuance on the exercise of stock options. As the number of shares reserved for issuance under the Plan increases with the issue of additional shares of the Corporation, the Plan is considered to be a "rolling" stock option plan.

Shareholders may obtain a copy of the Plan from the Corporation prior to the meeting upon written request.

STATEMENT OF EXECUTIVE COMPENSATION

The Corporation does not employ any full time Executive Officers. Management of the Corporation is conducted by the Directors or Officers on a part-time basis.

The Corporation did not pay any salaries or fixed retainers to Executive Officers in their capacity as Executive Officers during the last financial year. However, Executive Officers may be compensated for professional management or consulting services actually provided to the Corporation in accordance with industry rates based upon invoices submitted periodically. The Directors of the Corporation consider this compensation strategy to be appropriate in the current financial circumstances of the Corporation.

Upon achieving a reorganization of its financial affairs, the Corporation's compensation arrangements for Executive Officers will be reviewed.

The purpose of this Compensation Discussion and Analysis is to provide information about the Corporation's executive compensation objectives and processes and to discuss compensation decisions relating to its Named Executive Officers.

The Board of Directors of the Corporation does not have a Compensation Committee. Compensation matters are reviewed by the full Board of Directors. An interested board member is required to abstain from voting on matters concerning his own compensation.

Objectives of Executive Compensation

The general compensation philosophy of the Corporation for Executive Officers, is to provide a level of compensation that is competitive within the North American marketplace and that will attract and retain individuals with the experience and qualifications necessary for the Corporation to be successful, and to provide long-term incentive compensation which aligns the interest of executives with those of shareholders and provides long-term incentives to members of senior management whose actions have a direct and identifiable impact on the performance of the Corporation and who have material responsibility for long-range strategy development and implementation. The Corporation's objective is to provide suitable compensation for executives that is internally equitable, externally competitive and reflects individual achievement.

Structure of Executive Compensation

The Corporation is in the mineral exploration and development business and, accordingly, does not yet have significant revenues from operations and often operates with sufficient financial resources only to ensure that funds are available to complete scheduled programs. As a result, the Board of Directors must consider not only the financial situation of the Corporation at the time of the determination of executive compensation, but also the estimated financial situation of the Corporation in the mid-and long-term.

The Corporation has not paid any salaries or fixed retainers to Executive Officers in their capacity as Executive Officers during the last financial year. However Executive Officers may be compensated for professional or consulting services actually provided to the Corporation in accordance with industry standard rates based upon invoices submitted periodically. The Board of Directors of the Corporation considers this compensation strategy to be appropriate as many of its Executive Officers provide services to other businesses upon similar terms.

Stock Options

An additional component of the executive compensation program is stock options and to this end the Corporation has established an incentive stock option plan (the "**Stock Option Plan**"). The Stock Option Plan is administered by the Board of Directors of the Corporation. The Stock Option Plan is designed to give each option holder an interest in preserving and maximizing shareholder value in the longer term, to enable the Corporation to attract and retain individuals with experience and ability, and to reward individuals for current performance and expected future performance. Stock option grants are considered when reviewing executive officer compensation packages as a whole.

Other Incentives

The Corporation does not have a formal annual incentive bonus plan in place. Any award of a bonus to Executive Officers would be entirely at the discretion of the Board of Directors. No bonuses were paid to the Named Executive Officers during the fiscal year ended December 31, 2017.

Defined Benefit or Actuarial Plan

The Corporation does not have a defined benefit or actuarial plan.

DISCLOSURE OF CORPORATE GOVERNANCE PRACTICES

Corporate Governance

The Canadian Securities Administrators in National Instrument 58-101 ("**NI 58-101**") have adopted guidelines for effective corporate governance which address the constitution and independence of boards, the functions to be performed by boards and their committees and the recruitment, effectiveness and education of board members. A description of the Corporation's corporate governance practices is set out below, including a discussion of the principal matters relating to corporate governance practices discussed in NI 58-101.

1. Board of Directors

The Board of Directors (the "**Board**" or "**Directors**") of the Corporation exercises independent supervision over the Corporation's management through meetings of the Board. Gerald J. Gauthier, Terence McKillen and Peter Palframan are considered "independent" directors in that they are independent and free from any interest, and any business or other relationship which could reasonably be perceived to, materially interfere with the director's ability to act with the best interests of the Corporation, other than interests and relationships arising from shareholdings in the Corporation. Messrs. Kearney, Kinloch and Steenberg, are deemed to be members of management and are therefore not considered independent and the holding of an underlying 2% net smelter royalty interest in the Corporation's Alexander Property, Red Lake, Ontario, by a corporation controlled by Mr. Kearney.

Mr. Steenberg operates an independent law practice and provides legal services to, and acts as Secretary of the Corporation.

The Directors believe that a relatively small Board is appropriate for the current size and stage of development of the Corporation and to ensure that the Board can function effectively.

2. Directorships

The participation of the Directors in other reporting issuers is described in the following table:

Gerald J. Gauthier	Labrador Iron Mines Holdings Limited Xtierra Inc.
John F. Kearney	Anglesey Mining plc Buchans Resources Limited Canadian Zinc Corp. Labrador Iron Mines Holdings Limited Xtierra Inc.
Terence N. McKillen	Buchans Resources Limited Xtierra Inc.
Peter Palframan	Zoomer Media Ltd.
Neil J.F. Steenberg	Xtierra Inc.

3. Orientation and Continuing Education

While the Corporation currently has no formal orientation and education program for Board members, sufficient information (such as recent reports, prospectus, proxy solicitation materials, technical reports and various other operating, property and budget reports) is provided to all Board members to ensure that Directors are familiarized with the Corporation's business and the procedures of the Board. In addition, Directors are encouraged to meet with management on a regular basis. The Corporation also encourages continuing education of its Directors and officers where appropriate in order to ensure that they have the necessary skills and knowledge to meet their respective obligations to the Corporation.

4. Ethical Business Conduct

The Board has considered adopting a written code of business conduct and ethics however due to the small size of the Corporation and the limited scale of its operations. At the present time, the Corporation has decided not to adopt such a code.

The Board has established a Whistle Blower Policy, which details the complaint procedure for concerns about any aspect of the Corporation's activities and operations.

In addition, as some of the Directors of the Corporation also serve as Directors and officers of other companies engaged in similar business activities, the Directors must comply with the conflict of interest provisions under the Business Corporations Act, as well as the relevant securities regulatory instruments, in order to ensure that Directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director is required to declare the nature and extent of his or her interest and is not entitled to vote at meetings of Directors where such a conflict arises.

5. Nomination of Directors

The Board does not have a nominating committee, as these functions are currently performed by the Board as a whole.

The Board considers its size each year when it considers the number of Directors to recommend to the shareholders for election at the annual meeting of shareholders, considering the composition required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

6. Compensation

Members of the Board are not currently compensated for acting as Directors, save for the grant of incentive stock options pursuant to the Corporation's stock option plan and the policies of the Exchange. The Board as a whole determines the stock option grants for each director. The independent Board members review on an ongoing basis, any compensation of the senior officers to ensure that it is appropriate.

7. Other Board Committees

The Board is satisfied that in view of the nature and extent of the Corporation's business operations, it is more efficient and cost effective for the full board to perform the duties that might be required by standing committees, other than the audit committee.

8. Assessments

The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole or its individual Directors.

9. Board and Corporate Diversity

The Corporation currently does not have any women Board members or in executive officer positions (as such term is defined in the Canadian Securities Administrators guidelines for effective corporate governance). However, the Corporation recognizes the value of individuals with diverse attributes on the Board and in executive officer positions and the desirability of representation of women on the Board and in executive officer positions.

The Corporation has not adopted a written policy relating to the identification and nomination of women directors or regarding the number of women in executive positions because it does not believe that a written policy is the best way to achieve the Corporation's business objectives.

The Corporation believes that the interests of the Corporation would be best served by ensuring that new Directors or executives are identified and selected from the widest possible group of potential candidates. A formalized written diversity policy governing the identification and selection of potential women candidates may unduly restrict the Corporation's ability to select the best and most suitable candidate.

The Board is responsible for establishing qualifications and skills necessary for an effective Board and various committees of the Board and for senior executive positions, including factors such as professional experience, particular areas of expertise, personal character, potential conflicts of interest, diversity and other commitments.

Although diversity, which includes diversity in gender, age, ethnicity and cultural background, is one of the factors considered in the Corporation's identification and selection process, other factors, including knowledge and relevant experience, or particular areas of expertise, are given greater consideration in the identification and selection process. In light of the Corporation's view that candidates should be selected from the widest possible group of qualified individuals, the level of representation of women may be considered but is not a major factor in identifying and appointing individuals to the Board.

The Corporation's policy with respect to the representation of women in executive officer positions is the same as its views on the representation of women in the director identification and selection process. In making decisions as to executive officer appointments, the Corporation believes that decisions to hire or promote an individual should be based on that person's knowledge and experience, particular areas of expertise, character and merit.

Accordingly, the representation of women in executive officer positions may be considered but is not a major factor and is not an issue when making executive officer appointments.

The Corporation has not adopted a target regarding the representation of women on the Board or in executive officer positions for the reasons set out above. The Corporation believes that adopting such a target would unduly restrict its ability to select, hire or promote the best and most suitable candidate for the position in question.
